# The Governor and Officers

A message from your Governor:

I hope everyone has enjoyed the summer months and has had a chance to try out some of the new items from our summer menu. As fall approaches, the kitchen menu will see the return of some of your other favorites. The Food Service Committee and Chef Jack have worked hard to provide good value for your dollar.

Acoustic jam sessions have started in the Lodge on Sunday afternoons beginning August 14th. Visit the website or stop in the Lodge for future dates. Why not bring your axe and join in on the fun and fellowship?

Also don't forget the fundraisers we have coming up in the Lodge, detailed in this newsletter. If you have any suggestions please talk to myself or any officer of the Lodge.

Fraternally,  
Al Erney

## W.O.T.M

Dear Co-Workers,

I hope everyone has survived the summer heat and are looking forward to all the great fall activities that are planned. First of all, the COOKBOOKS ARE HERE !! They are available at all of the ladies meetings, breakfasts, Bingo, and Friday night dinners. The cost is \$10.00.

The Lodge and Chapter are having a joint Spaghetti dinner on September 17. The Children's Halloween party is on October 23 at 2 P.M.--There will be a signup sheet on the front table in Sept. We will be having a Halloween Dance on October 28 at 9 P.M. Come to dinner first and then dance the night away.

The Ladies Banquet is on Thursday, November 3 at 6 P.M. This is a sit-down dinner, served family style. There will be a gift exchange (about \$10.00 cost)--bring a gift if you would like to get a gift in return. There is a coupon below; please fill it out and bring it with a check made out to W.O.T.M. for \$10.00 to a meeting or give it to the bartender to put in the ladies bag or to any ladies officer.

Remember there will be updated schedules of events for the ladies on the front table to know what is going on in the Chapter if you cannot attend the meetings. We would really like to see some new faces and have some fresh ideas for the coming of the Holiday season.

**Administrator**  
**From One Member to Another:**

From the Administrator:

I would like to start off by clearing the air in regards to our neighboring Lodge in Quakertown. First off, Moose International, at the time of me writing this, has not closed this lodge. The Officers of Quakertown have chosen to close the doors. A lodge and chapter may choose to operate without a building. We have offered the use of our building to the Quakertown officers for them to hold their meetings and remain a part of this organization. That all being said, I would like to take this opportunity to welcome the new Members to Sellersville Moose Family Center 1539. We have our Lodge Meetings on the first and third Monday of each Month. On the third Monday of each month, there is time set in the meeting for all new members' orientation. I would invite any and all members to attend one or both of these meetings. This is the time to have your input heard.

I'm sitting in the office going over the numbers for the family picnic. It was a sad showing, only 61 paid attendees and about a dozen kids under 6. This is out of over 1600 men and women in the lodge and chapter. I ask why? We hold functions and there are signs in the lodge. It is in the news letter and on our web site. The cost was low enough that a family of four could eat and have beverages all afternoon for just \$20.00 DOLLARS. I ask why there were not more people.

The fate of all organizations is in the hands of their members!! If you have any concerns, please bring them to the attention of the officers. (By the way, you as a member have a say in them being elected as officers). Second, attend Meetings to hear the reports of the officers and the Lodge's finances. Third, but not least, get involved whether by sponsoring new members, coming in one or more days a week or supporting our many functions throughout the year. The Fate of all organizations is the responsibility of its members...

I hope that writing this will Create Some Interest not only in your lodge and chapter but in our Organization as a whole.

Thanks you for reading.
