### From the President

What a year it's been. We have had a lot of good times and some sad times this year. I would like everyone to take a moment and remember the people that we have lost this year. We lost some good people.

I would like to thank everyone for coming out and supporting the lodge this holiday season. The kids Christmas party was an awesome event, and I can't thank Santa and his helpers enough for all they did. It really was a magical day at the lodge. This year, we had over 80 children and their families out to take pictures with Santa and do crafts with his helpers. Everyone had a great time and left with a gift and all kinds of goodies from the WOTM & the lodge.

Our adult Christmas party sold out fast. If you didn't get a ticket, you missed a great night with great music. We raised enough money with some help from the WOTM to replace one of the dividers between the banquet hall and dining room.

Christmas eve was a great time and I want to thank Valeries catering and the many volunteers who supplied food for everyone who came out to wish each other a merry Christmas.

Thank you, Linda Baxavaneos, for volunteering to have the lodge open on Christmas day for the Eagle's game and everyone who showed up and brought goodies for everyone to enjoy. It's great to see how many people come out to support and watch the game together.

The News Years Eve party was a great time with great people, if you didn't come out this year, make plans to be there next year and ring in the New Year with your friends and family.

Thank you, Dottie Wells, for working on New Year's Day so we could all come out and enjoy each other's company in the new year. It was a great way to start the year off.

Please plan on coming out to lodge this winter and see what's going on around your lodge. We have lots of events and something for everyone to do. Come out and have dinner and stay for the entertainment, hang out with your friends and maybe make some new ones.

Calling all moose members who own, ride or just love motorcycles, and volunteering, to help our lodge and community. We are going to have a meeting January 7th, at 3 PM, to see if we have enough interest in starting Moose Riders here at Sellersville Lodge 1539. If we can get a board of officers established, we will work towards starting Moose Riders and start a schedule for meetings and have fund raising events and help the community with the events we hold at the lodge.

I hope to see you out at the lodge. Remember we have our lodge meeting the first and third Monday of every month at 7:30 PM. Make time in your schedule to come out to a meeting and see what's going on at your lodge.

Thank you!  
Fraternally,  
Jamie Landis  
President

### From the Desk of the Administrator

Hello members,

Happy New Year to all our members. What a great year we had in 23'. We ended the year with a bang! The kids Christmas party was amazing. Thank you to all the volunteers that made it happen. We had 82 children and their families for the party. Remember, the WOTM and lodge have Easter, Halloween, and Christmas parties every year for the children. Keep an eye out for them. Always free for the kids. Along with that, we had an amazing Christmas Party for the adults and a fantastic New Year's Eve party.

I do want to take a moment to thank Kim for all that she does, great entertainment, awesome parties, and dedication to making sure we all have a great time. Please thank her for all she does next time you see her.

It is almost time for our elections for the board of officers. Keep an eye out for the applications for positions which will be out in February. Also, I will post information on our website in the upcoming weeks. Also, thank you to the Board of Officers who volunteered their time to help make the lodge a better place.

I also wanted to thank the WOTM for their generous donation of \$1000 to go towards replacing the banquet hall dividers and the Moose Legion for raising money for this project. We are working on quotes and will be sending out an invitation to our special meeting to get approval from our members on the purchase of the dividers.

A big Thank You to all our members for supporting us throughout the year and growing our membership by sponsoring new members. The board of officers are working on new retention and membership programs which will be posted on the website.

Fraternally,  
Mike Sagel  
Administrator

### From our Senior Regent

Happy 2024! Hope everyone had a great holiday season. Our Chapter is looking forward to this new year. Thank you to all the members who helped support us during 2023. We had a great one!

Our next breakfast is on January 14<sup>th</sup> – 8-11 am. Price is still \$10 – please also join us for February's breakfast - held on Sunday 2/11.

On January 8<sup>th</sup>, we have an open meeting honoring past Golden Gavel recipients, who are prior Sr. Regents who made all the achievements necessary to qualify for this honor.

The following meeting will be on Monday, January 22<sup>nd</sup>. Around this time, we will make plans for our nominating committees to get together and start working towards building the next Chapter year's board of officers. We are asking anyone who is interested in keeping the Chapter going to please consider running for a board position.

The WOTM are the Sole Financial Providers of the Mooseheart school - that includes PT/OT therapy for any child that needs it and necessities for each new child to get the right start – clothes, supplies etc. We pay for all the girls' and boys' athletic programs as well as the music program. Our Cmas in Oct goes towards extras they get for Christmas – can be a Cmas party- can be Cmas pictures or helping with gifts.

We also support Moosehaven's daily needs – our senior center. We provide pharmacy assistance, beauty/barber shop for our senior members and again our Cmas in Oct fundraiser goes to helping them enjoy a nice Christmas dinner and NYE party.

Our Lodges do not donate to any of these projects –so we can imagine if our Chapter closes what the financial impact would be to our lodge if they were to bear this responsibility.

Please see one of the current WOTM members if you would be interested in volunteering your time to help these causes.

Fraternally,  
Dori Smith  
Sr. Regent

Autumn leaves are everywhere as far as we can see. The beautiful variety of colors fall from each tree.

Collecting leaves from each lawn is a chore a true as can be. But God willing we will gain the strength to gather these lovely leaves and deposit them properly.

Although raking these leaves causes some pain, it does work up your muscles for great gain. Soon the leaves will all disappear, however they will come again next year.

We should all thank God for what these trees give to mother earth. Each breath we take is cleaner and extends us since birth. Hopefully winter will soon pass and the breath of spring will bring new life with birds singing a lullaby.
