**From the President**

Hello all,

The weather is getting warmer, and the days are getting longer once again, I hope that everyone has had time to enjoy the winter months and is looking forward to the warm spring days ahead.

We had a busy winter schedule at the lodge, and it was great seeing everyone out and enjoying the events. We are booking up for the spring and hope everyone makes time to come out and spend some time with their friends and moose family.

Keep your eye out on the weekly emails and stay up to date on what's happening at the lodge.

Don't forget to sign up you children and or grandchildren for the easter egg hunt this year, sign up sheet will be in the social courters soon.

It's that time of year again where we elect a board of officers for the next year, if anyone would like to become a board member, or see what's involved in becoming a board member there is information and request slips in the social courters for you to review.

I want to thank everyone for everything they do for the Sellersville Moose, it has been a great honor to be the lodge president for the last 2- years, I have met a lot of great people here since becoming a member. I hope everyone will welcome our new board of officers and show them that their time of service is time well spent. As officers you put a lot of time and effort into the lodge, and it's necessary to keep the lodge going. I hope everyone will come out and support the lodge and continue to bring their friends and family to join our fraternity.

Thank you!  
Fraternally,  
Jamie Landis  
President

**From the Desk of the Administrator**

Hello members,

Hope everyone has been having a good year so far. We are happy to say that we have raised enough money to purchase the banquet divider doors with the help of our Women of the Moose Chapter, our Moose Legion, and you. We will be having a special meeting on March 12th at 7 PM to vote on the purchase. Our next goal will be to replace one of the AC/Heater units on the roof.

We have raised \$1,500.00 from our Cash Bash this past weekend which will go to our local emergency support groups in our area. These will be Sellersville Firehouse, Perkasio Police, and MTS 151 Ambulance services. Thank you to all that came out for the event. Great job.

On March 14th, we will be having our second Moose Riders meeting. Come on out if you are interested in joining the group or want to learn more. You don't need to be a rider to join the group and support the cause. The Moose Rider Activities Group will meet on the second Thursday of the month at 7 PM. So if you cant make it out to this one, there will more in the future.

One last thing I would like to mention in regards to Mooseheart and Moosehaven. They both receive their support from you. Every time you renew your dues, \$38 goes to supporting Mooseheart, Moosehaven and programs provided by Moose International. So every year that you renew your membership, not only are you able to enjoy everything we offer at our lodge, members benefits offered by The Moose, but your donation allows us to continue supporting Mooseheart and Moosehaven.

Fraternally,  
Mike Sagel  
Administrator

**From our Senior Regent**

Dear members,

We're already almost 3 months in to 2024! Here's what's going on with the WOTM. We had the privilege this past month of giving away almost ~ \$4,000 to various organizations. Some of these groups were, E meals ministry in Souderton, St. Lukes Breast Cancer center, St. Vincent's in Quakertown, & Ram Packs; we also donated \$2k to our lodge to help with future HVAC work. Everyone agreed this was one of our nicest chapter meetings where we got to see 'the fruits of our labor' going back to causes that are very worthwhile to our members. We want to extend gratitude to all the Lodge members who have helped support us this past year.

On Saturday, 3/16 the Lodge is hosting the Alex Buono band for St. Patrick's Day. We will also be hosting a 'goodie/bake' sale. Starts at 5pm. Please come support our Chapter and buy a treat to enjoy after dinner. Any volunteers that would like to drop off a baked good, we will be there by 4pm and would appreciate it!

Our next breakfast held on Sunday, March 10<sup>h</sup> from 8-11am. The month of Aprils breakfast will be on Sunday 4/14. Our first meeting in March is held on 3/11 and we will hold elections for the Board of Officers who will serve during the 2024/2025 Chapter year.

Thank you again for all the continued support we receive. I hope everyone enjoys the last few weeks of winter!

Fraternally,  
Dori Smith  
Sr. Regent

From my patio window we have a panoramic view of mother nature. Birds of all types come to feed on the bird seed we supply. Blue birds come to check out a bird house we built for them. Blue birds come to feed on the sun flower seeds.

A deer and her family comes by with the mother and her two fawns almost everyday to feed on the bird seed. These two fawns have come to our back yard since birth. It is a blessing to see these fawns grow from children to teenagers. Occasionally doves, cardinals, gold finch, nuthatch, cat birds, black birds, weens. Mocking birds, woodpeckers, sparrows, and many other birds come by to feed on the bird seed. These beautiful creatures bring enjoyment for all to see. In addition to birds, rabbits and squirrels come by and feed on the bird seed. Therefore , with a small investment in supplying these God's creatures with food, one can enjoy nature.

Fred Mac Connell
