From the President

Hello Moose family. Here we are with a new newsletter. I'd like to welcome all of our new members that have joined this year. I'd also like to send a huge thank you to our awesome team of volunteers that are always helping with our events.

You guys are what really makes the wheels turn when we do our events for the families and the kids. As we all know, we have so many activities and bands weekly at our lodge and everyone seems to really enjoy them. We will continue to have these events and all sorts of other fun activities for the families.

Remember our lodge meetings are every first and third Mondays of each month. Come on out and get filled in on everything that is going on each month in our lodge. Thank you all again for making our lodge what it is.

**Fraternal yours,
TJ Lester
President**

From the Administrator

Dear members,

Here comes the warm weather. Time to get outside and enjoy it. Keep an eye out for our fundraisers and events outside at our Grove.

Update on the air conditioner unit, we will be refreshing the quotes and will be sending out a notice to have a special meeting to vote on this. Just in time for summer.

It is a new Moose Year for us and I wanted to thank Kevin and Mark for their time on the board. We can't do this without people like you. We also want to welcome Alex, Dan, and Linda to the board. If you don't know them yet, stop by a membership meeting and say hi!

Fraternally,
Mike Sagel
Administrator

From the Senior Regent

Dear Members,

We are pleased to announce the 2025-2026 board of Officer's for WOTM Chapter #471:

Senior Regent: Ida Erney

Junior Past Regent: Dori Smith

Secretary: Charell Hartzel

Treasurer: Mary Ellen Knudson

We are all looking forward to continuing our mission of supporting Mooseheart, Moosehaven, the lodge and our community. We appreciate your continued support of our various fundraising efforts. Please note that there will not be a WOTM breakfast in May. We get the day off for Mother's Day!

Our Chapter has enjoyed the privilege of watching our two Sunshine Students at Mooseheart, Angie and Prince, grow and achieve many accomplishments. Both of these students will be graduating on May 24, 2025. This year's Commencement coincides with the 2025 International Moose Convention in Milwaukee, Wisconsin. Al and I are looking forward to visiting Mooseheart to see Angie and Prince graduate. There is a short video featuring Angie, Prince and Alyah, who is sponsored by the lodge, on our Sellersville Moose website. Search under November 2024 to see the video and learn more about our students.

Sending lots of good wishes for everyone to have a safe, happy and fun summer!

Fraternally,
Ida Erney
Senior Regent

After the winter months of staying in the house trying to find something to do besides watch TV.

We can soon enjoy spring by bringing out the lawn mower, plant flowers, spread mulch and enjoy nature as much as can be.

Birds of every kind are busy singing their melodies. New buds are appearing on many trees.

Spring brings joy you all of us, including wild animals like deer, rabbits, ground hogs to mention a few. pussy willows showing signs of life and soon branches can be taken to church too.

As we enjoy these summer months, we can thank god for all that this new life can bring. Children can go outside to play, you can take your dog for a walk, you can take a walk yourself, these are all benefits of spring.
